### **Message from the President:**

I am Naohito Yasuda, the President of Regal Corporation. Please allow me to express my sincere gratitude to you all for your continued support.

Regal Corporation is marking its 120th anniversary at a time of great transition and change. We have long enjoyed your patronage of our shoe business, but the “great change” that is currently in progress is not merely a change in the business environment. Its impact will require the fundamental transformation of our business foundations.

Various technologies, traditions, and cultures that have been cultivated over a long history can sometimes become a stumbling block when carrying out a fundamental transformation. At this major turning point, we will open up a new era by first transforming ourselves.

Turbulent changes in the external environment make predicting the future a difficult task, but we will re-examine our business from medium- and long-term perspectives, draw up a vision for the roles we must play, and steadily pursue initiatives to realize that vision. Through the growth of each and every one of our employees, we will drive our transformation with the aims of contributing to a sustainable society and being a company that is trusted by our customers.

We will redouble our efforts into the future and look forward to your continued support and patronage.
